Dumfries Sports Club - Members Opinion Survey

PADEL TENNIS COURTS

Dear Members

The Sports Club Management Committee has appointed a 'short life working group' to explore the feasibility of developing Padel Courts on our site here at Nunholm.

We are keen to hear your views on the potential to add this rapidly growing sport to those our club currently offers.

Other clubs throughout the UK have benefited financially from the addition of padel courts to their facilities, allowing them to enhance their clubs and giving them a new income stream in this climate of rising costs.

We are exploring all options and models currently and will present them at a special meeting in due course. In the meantime, we want to hear from you, and would be very grateful if you could take the time to provide your answers to the survey questions on this subject, link below.

"Don't delay, have your say" A Closing date for responses has been set for Friday 27th November 2026.

Many Thanks

The Management Committee
